

## Princess Sarah

Once upon a time, there was a princess in a castle. Her name was Sarah. She had curly brown hair and brown eyes. She was tall and happy. But one day, she wanted to liberate her parents. Sarah called Zahira to search for her parents in the forest.

-Zahira said, « Hey Sarah look! »

-Sarah said, « What? »

-Zahira said, « There was an elf »

-Sarah said, « Oh yes! Hello »

-The elf said: « Hello, this bracelet is wonderful, there you go. »

-Sarah said: « Thanks »

Sarah and Zahira searched and searched... Suddenly, a dragon arrived! Sarah was scared.

-Sarah said, « RUN! »

-Zahira said, « OK! »

Then, Zahira saw a cave. She entered in the cave. In the cave, the parents were in a cage. In the wonderful bracelet there were keys. Sarah opened the cage and she liberated her parents. Everyone was happy and they lived happily ever after.
